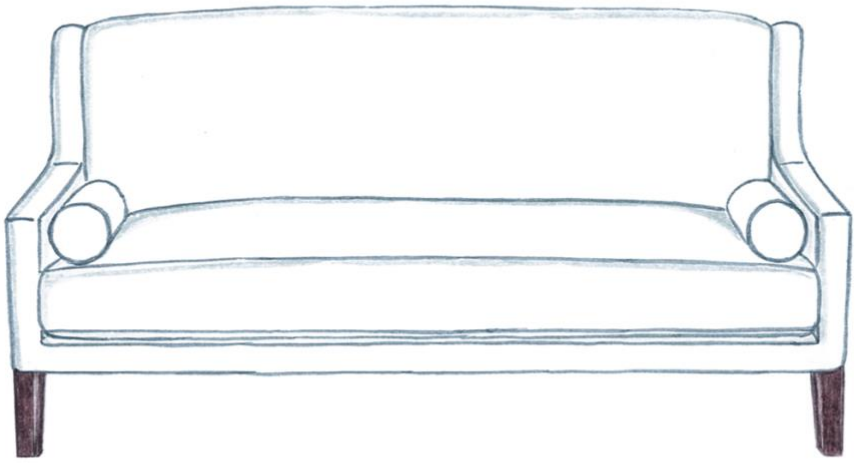
CHISWICK SOFA



DESCRIPTION:
The Chiswick sofa is a classic style settee with a high, solid back (i.e. no back cushions), which provides good head support. It is also available as a low back for those looking for a more contemporary look, or where space is a consideration. The wooden feet are tapered in a classic style and come in a range of stains. Bolster cushions also add to the classic aesthetic of this design. Seating options are: standard foam, feather/fibre/foam, Luxura (memory foam) and feather duvet-wrapped seats. A large, single seat or individual seats options are available. This design is also available as an armchair.
