HAMPTONS SOFA

DESCRIPTION:

The Hamptons sofa combines contemporary and traditional elements that lends itself to many different room designs. The nailheads on the arms are inspired from Centuries old pieces, whereas the sloping arms and straight edges lean towards more current designs. It is perfect for a formal sitting room or beach . Seating options are: standard foam, feather/fibre/foam, Luxura (memory foam) and feather duvet-wrapped seats. A large, single seat is also available A large, single seat is also available. Back cushion include: standard foam, feather/fibre/foam or feather. The sofa can be made with or without the nailheads and the sofa skirt can be without a box pleat in the middle.
