

Wildflower Meadow

Flora Roberts at Hamilton Weston Wallpapers

Design Name: Wildflower Meadow
REF: FRWILD02 **Colour:** SPRING BLUE

Pattern Repeat: 3m / approx. 3.3yds (Straight Match)
Roll Dimensions: W: 140cm / approx. 55.12ins
Substrate: Non-woven (off-white)

Design Story

A complex Indian embroidery was the starting point for this design. Reworking it into a panel, the painting began to resemble a wildflower meadow. The very one my father is so proud of in his garden. The yellow rattle suppresses the grasses, allowing for many different varieties of wildflower, Cornflower etc. A detailed eye catching pattern emerges.

Alternative colourways:

FRWILD01
HAZE

FRWILD03
COPPER

FRWILD04
ASTRAL BLUE
